

**North Carolina Education Lottery Scholarship
Fourth Annual Report
January 2012**

The North Carolina General Assembly established the North Carolina Education Lottery in March 2006, and the North Carolina State Education Assistance Authority (the Authority) began identifying recipients for the North Carolina Education Lottery Scholarship (the Scholarship) in February 2007 for the 2007-08 academic year. The 2010-11 academic year marked the fourth year in which students received the Scholarship.

The Scholarship is designed to ensure that eligible students whose families can afford to pay \$5,000 or less toward the student's education receive at least a specified minimum amount of financial assistance when combined with the Federal Pell Grant. For the 2010-11 year, that minimum amount was \$3,400.

Students apply for the Scholarship by completing the Free Application for Federal Student Aid (FAFSA) which is required for all federal and state need-based aid; no additional application is required. Students are notified of their eligibility by the institutions to which they apply. Funds are disbursed to the institutions upon confirmation of the students' enrollment and eligibility.

By statute, the eligible institutions for 2010-11 included:

- University of North Carolina Constituent Institutions as defined in G.S. 116-2(4)
- North Carolina Community Colleges as defined in G.S. 115D-2(2)
- Private non-profit institutions as defined in G.S. 116-22(1) or 116-43.5(a)(1)
- Hospital schools as defined in G.S. 131E-16(14) or schools of nursing affiliated with a nonprofit postsecondary institution as defined in G.S. 116-22(1).

The Authority receives funds quarterly from the North Carolina Education Lottery Commission and places the funds in a trust fund for the benefit of eligible students.

For the 2010-11 academic year, 32,569 eligible students received funding totaling \$34,449,071, with an average scholarship of \$1,058.
